## [Dr. Glenn Lilly Lecture](#)

Dr. Glenn Lilly, Senior Cryptographer at the U.S. National Security Agency (NSA) spoke to a group over 70+ attendees January 30, 2009. He spoke about Recent Trends in the Information Assurance Directorate at the NSA. I would like to thank Dr. Lilly for being so generous with his time and for such an informative lecture. I would also like to thank those who attended. Your questions were top notch.

Sincerely,  
Brett J. L. Landry, Ph.D., CISSP  
Associate Professor and Director Center for Academic  
Excellence in Information Assurance
