ELLIS INFORMATION ASSURANCE LECTURE SERIES PRESENTS:

Security Awareness in a Large, Global Corporation
Mr. Brian Wrozek
IT Security Director
Texas Instruments

Brian Wrozek is the IT Security Director for Texas Instruments. He

is responsible for all facets of electronic data and system security including disaster recovery preparedness worldwide. He received his MBA in Information Assurance from the University of Dallas in 2008; the same year he was named the Information Security Executive of the year in the Central Region of the US by Executive Alliance. Mr. Wrozek will share various techniques and lessons learned over the past nine years in conducting security awareness and education at a global, Fortune 200 company.

Free and open to the public.

Date:Friday, March 26, 2010

Time: 3:30 - 4:30

Location: 7460 Warren Parkway
Suite 100
Frisco, TX 75034

1 CPE granted

2010 Information Assurance Scholarship

The Department of Defense (DoD) has announced the Information Assurance Scholarship Program (IASP) for fiscal year 2010. The IASP program is designed to provide financial assistance and post graduate employment to students in National Centers of Academic Excellence in IA (including UD) who are studying information assurance/information security. Students are encouraged to review the website below before deciding to pursue the IASP:

<http://cio-nii.defense.gov/sites/iasp2/>

Visit [here](#) for forms that must be filled out.

1. Students interested in the IASP must complete the attached application and submit a hard copy, with supporting documents, to Dr. Blanke at the following address:

University of Dallas - Frisco
Attn: Dr. Sandra Blanke Suite 100
7460 Warren Parkway
Frisco, TX 75034

ALL MATERIALS, INCLUDING ORIGINAL TRANSCRIPTS, MUST BE RECEIVED IN HARD COPY BY 5:00 PM ON February 7, 2010.

LATE OR INCOMPLETE SUBMISSIONS WILL NOT BE CONSIDERED.

2. Each student who applies will be included in the proposal submitted by UD to the DoD. Potential employers will evaluate the applications and select students from those submitted. UD will receive and distribute funds for those students selected.
3. Students must be a US citizen to apply for the IASP scholarship.
4. Students offered the scholarship have 30 days to accept or decline the scholarship. Students that accept the scholarship must agree to employment within a DoD agency upon completion of their degree requirements. Employment and relocation may be required.
5. For Year 2010 funding will not be available to selected students until August 2010.
6. UD students who are a current federal employee, active duty military, or in the national guard cannot currently apply for the IASP through UD. They are eligible to apply for the scholarship through their current DoD employer.
7. All questions should be directed to Dr. Blanke sblanke@gsm.udallas.edu. If you intend to complete the IA Scholarship, please send me an email of your intent ASAP.

Strategy to Reality

Attended by over 6,000 security professionals from coast to coast, "Strategy to Reality" provides the industry's leading security professionals with the most timely, relevant and comprehensive coverage of the issues today.

In addition, we're offering the best bundle of content for addressing your growing requirements of CEUs to maintain your professional certifications.

The High Technology Crime Investigation Association

The Center for Academic Excellence in Information Assurance will host The High Technology Crime Investigation Association (HTCIA) meeting on March 23rd. Robert O'Leary of the National Institute of Justice Electronic Crime Technology Center of Excellence (NIJ ECTCOE) will present on areas for grant funding in research and direct service delivery to benefit state and local law enforcement. ECTCOE continues a tradition of including input from academic, corporate, and public sector members in their program. As such, there will be materials and opportunities for non-law enforcement members as well. The meeting will be held at the University of Dallas Frisco facility. The meeting starts at 9:00am and runs until 11:00am. An optional hands on demonstration and brief training course will follow from 12:30 to 2:00pm provided by Mr. O'leary and Whetstone Technologies.

Date: Tuesday, March 23, 2010

General Meeting Time: 9:00 a.m. - 11:00 a.m.

Hands on demonstration and brief training course by Whetstone Technologies:

12:30 p.m. to 2:00 p.m.

Location:

University of Dallas - Frisco Learning Center
7460 Warren Parkway
Suite 100
Frisco, TX 75034
