## Information Assurance Lecture Series

Dr. Glenn Lilly, Senior Cryptographer at the U.S. National Security Agency (NSA) will be speaking at the Center for Academic Excellence in Information Assurance at the Graduate School of Management, University of Dallas (Frisco Campus) on Friday, January 30, 2009 on Recent Trends in the Information Assurance Directorate at the NSA. Please join us for this very special event.  
Sincerely,

Dr. Brett Landry

## Recent Trends in the Information Assurance Directorate at the NSA

Dr. Lilly's presentation addresses IA needs and careers and will conclude with a question and answer portion for all attendees regarding his presentation and opportunities for work at the NSA.

Dr. Lilly is the National Security Agency (NSA) Senior Executive Academic Liaison (SEAL) for the University of Dallas. Since 2003, the University of Dallas has been a Center for Academic Excellence in Information Assurance and is currently the only university in Texas and only one of 7 in the world to map to all six Committee on National Security Systems (CNSS) standards 4011-4016.

## How to Sign Up

The presentation will begin Friday, January 30, 2009 at 3:00 pm at the University of Dallas's Frisco Campus at 7460 Warren Pkwy, Suite 100 (On the northeast corner of the Dallas Tollway and Warren, just north of IKEA and Hwy 121)

To reserve your seat, please contact Erin Angelico at [eangelico@gsm.udallas.edu](mailto:eangelico@gsm.udallas.edu) or 972-265-5726 before end of the business day Tuesday, January 27, 2009. Seating is limited and will be reserved on a first come first reply basis. Light refreshments and snacks will be provided.

UD IA, IT, ITSM, and other students, UD IA Alumni, UD Faculty and Staff, ISSA, ISACA Professional Members, and other Security Professionals are invited to attend. Admission is free, but space is limited, so please reserve your seat now.

Please share this information with other security professionals who may be interested. We look forward to seeing everyone at the meeting.

## CPE's Available

Continuing Professional Education (CPE) credit will be provided for all attendees.
