  - Western Civ I, beginning to Reformation period*  
  - Western Civ II, Reformation to Post WWII |
| **Theology**        | 6 hours        | Because of its unique content transfer students are advised to fulfill the theology requirement at the University. However, a scripture course may be considered for THE 1310. |
| **Economics**       | 3 hours        | An Economics course in principles of microeconomics will transfer and satisfy the core requirement. |
| **Politics**        | 3 hours        | The University requires only one course but is specific about its content. Therefore no transfer course satisfies the requirement. |
| **Fine Art**        | 3 hours        | The following are appropriate to transfer as Fine Art credit:  
  - History of Art, Music, or Theater  
  - History of Art and Architecture* |
| **Philosophy**      | 9 hours        | Transfer credit is generally not given for UD’s PHI 1301, but transfer courses may be considered for PHI 2323.* |
| **Math**            | 3-4 hours      | The following are appropriate to transfer in as a Math credit for all undergraduates:  
  - Calculus (4 cr)  
  - Euclidean and Non-Euclidean Geometries  
  - Statistics  
The following are appropriate to transfer in for credit in College of Business. They do not satisfy the undergraduate Math requirement.  
  - Financial Accounting  
  - Finite Math  
College Algebra is not accepted in transfer. |
| **Science**         | 7 to 8 hours   | One Biological Science and one Physical Science, each with a lab, are required of all students, and may be transferred into the University. The following are appropriate to transfer in as a Biological Science credit:  
  - Basic Ideas of Biology  
  - General Biology  
  - Environmental Science
