Financial aid recipients must be enrolled in a **degree-seeking program** and enroll at minimum **half-time status** (minimum 6 credits towards degree). \* **Dropping hours during the refund period or withdrawing** from the University will affect financial aid. \* **Receiving aid from other sources** may require an adjustment to the award package. \* Contact Financial Aid in the case of a **withdrawal** as a withdrawal from the University through the 60% point of the term are subject to a return of funds calculation, which may cause a balance owed to the University. A copy of the Return of Funds Policy is available with Financial Aid and online. It is my responsibility to read through the policy.
