POSITION: Affiliate Professor of Information Technology and Cybersecurity

DEPARTMENT: Satish & Yasmin Gupta College of Business

SUMMARY: The Satish and Yasmin Gupta College of Business at The University of Dallas seeks applications from interested candidates to fill an Affiliate Information Technology and Cybersecurity faculty position. Teaching assignments will include teaching Cybersecurity and Information and Technology Management courses that serve the MBA program and the MS programs.

ESSENTIAL DUTIES AND RESPONSIBILITIES:
- Teaching three courses per semester (6 courses per academic year) using experiential learning techniques in Cybersecurity, Information Management, Governance, Process Mapping or Project Management.
- Service responsibilities such as participation in professional or industry associations, student mentoring, and college committee activities.
- Teaching online, evenings, and weekends as scheduled.

REQUIRED KNOWLEDGE, SKILLS, AND ABILITIES:
- Possess an MBA or MS in Cybersecurity, Infosec, IT, IS, MIS, or CS or closely related discipline. Candidates who possess an earned doctorate (or are ABD) in a technology area are preferred.
- Preference will be given to candidates with professional certifications such as CISSP, ITIL, PMP, CISA, CEH or related certification.
- Demonstrate the potential for excellent teaching.
- Possess at least five years relevant industry experience.

COMPENSATION: The salary for this position will be based on experience and qualifications within an established pay range. Benefits include eligibility to participate in medical, dental, life & disability insurance, paid vacation, holiday and sick leave; tuition waiver benefit; and cafeteria and retirement contributions as described in the faculty handbook.

EMPLOYMENT ELIGIBILITY: All new employees must provide documented proof of their identity, employment eligibility, and pass a criminal background check.

APPLICATION PROCEDURES: Applicants should electronically submit a letter of interest clearly indicating how they meet the job qualifications and job responsibilities. A curriculum vita detailing all academic and professional experience (references and copies of recent teaching evaluations will be requested from candidates invited for an interview) to: FacultySearch@udallas.edu (please indicate ‘Affiliate Cybersecurity and Information Technology’ as the subject).

The University of Dallas is an Equal Opportunity Employer.
