The information submitted to the University will be confidential and will be treated as such. The information obtained within your MVR will be limited in release to UD insurance agent(s) and will not be shared with other entities.

Only individuals with an acceptable driving record as set forth in the University Vehicle Use and Driver Authorization Policy and a valid driver's license will be recognized as an Authorized Driver. All Authorized Drivers must adhere to the University Vehicle Use and Driver Authorization Policy.

Employees using their personal vehicle for job related travel should understand that their personal automobile insurance is always the primary insurance coverage.
