

UNIVERSITY OF DALLAS

May 2020

Dear Graduates,

The National Alumni Board of the University of Dallas offers you our most sincere and heartfelt congratulations on your great achievement. It is an honor, a privilege, and a responsibility to be an alumnus/a of the University of Dallas. There is no finer Roman Catholic university in the world. As an alumnus/a of UD, you are representing the University of Dallas in your chosen profession and in your life.

“Be not afraid” to take risks.

“Be not afraid” to ask for help.

“Be not afraid” to question.

Before you leave the “city on the hill,” take time to thank your professors. Be grateful to your alma mater; she will always be here for you. Be grateful for those who have gone before you, who have consistently supported UD. Finally, be grateful to God that you found UD! It is our great honor and pleasure to welcome you to the alumni community. Congratulations!

Sincerely,
