Educator Preparation Program

Statement for Admitting Applicants from other EPPs

TEA Rule (19 TAC 227.10(c)) “The EPP has appropriately admitted applicants who have transferred from other EPPs.”

If you were previously enrolled in another Texas Teacher Educator Preparation Program, Alternative Certification Program or University-Based Program, you must contact the Certification Officer and request a TEA Transfer of Data Form. Failure to do so will result in delay of your program continuance. The Department of Education Chair will review your coursework and any transfer credit will be noted.
