Educator Preparation Program

Statement of Admissions for military service personnel, veterans, and military spouses

The Texas Education Agency requires all Educator Preparation Programs to outline procedures for crediting prior or ongoing military service, training, or education toward the training, education, work experience, or related requirements for educator certification (19 TAC 234.5). Candidates including military service personnel, veterans, and military spouses may be granted course credit for prior military service, training or education toward fulfillment of program prerequisite admission requirements. Military service, training or education, must be directly related to the certification sought in order to be considered. Military Service, training and experience may not count toward field-based experience, clinical teaching, or internship requirements. For more information or to request a transcript evaluation for course credit, please contact Sandy Morgan, with the Military and Veterans Services, at registar@udallas.edu. You may also visit our Military and Veterans Services website at <https://udallas.edu/offices/veterans/index.php>

Effective: 12/21/2017
