

The University of Dallas Department of English Cover-Sheet

Oath

This essay is my own work. Though I may have received advice from an instructor, a tutor, and/or a peer, no one wrote or edited any part of it for me. I have listed below all the readers who have given me revision advice. There is, then, no plagiarism: I have not lifted professional or student work and tried to pretend that it is mine when it is not. All sources are listed on my Works Cited page.
