

Electronic Leave Request Guide

How to submit a leave request

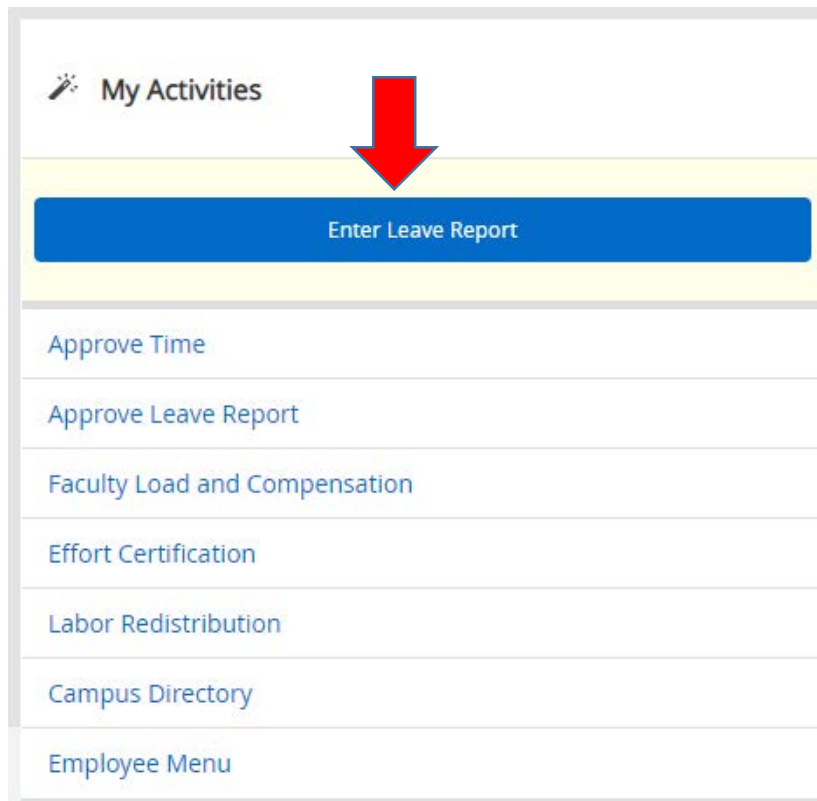

What is an electronic leave request?

The electronic leave request replaces the paper leave form for **exempt** employees requesting to use sick and vacation time only.

***Please note that requests for jury duty and bereavement leave should still be submitted using the current paper leave [form](#).*

How do I submit an electronic leave request?

1. Log in to [Banner Web-Employee](#) and you will be taken to the Employee Dashboard.
2. Click *Enter Leave Report* (right hand side under *My Activities*)

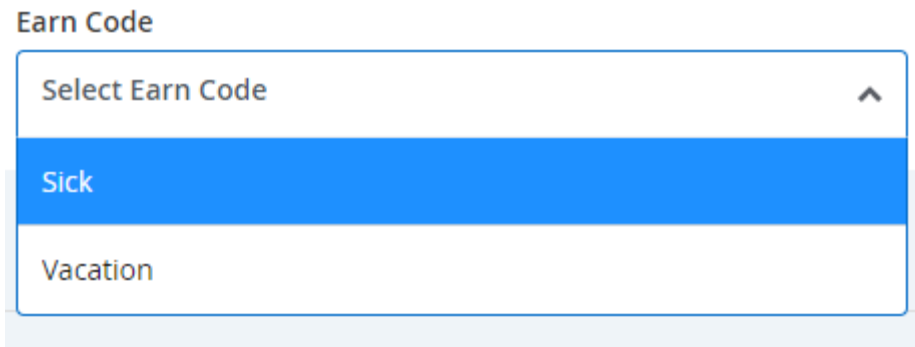

3. Select *Start Leave Report* for the appropriate time period for which you are requesting leave for.

4. Select the appropriate date on the calendar that the leave is being requested.

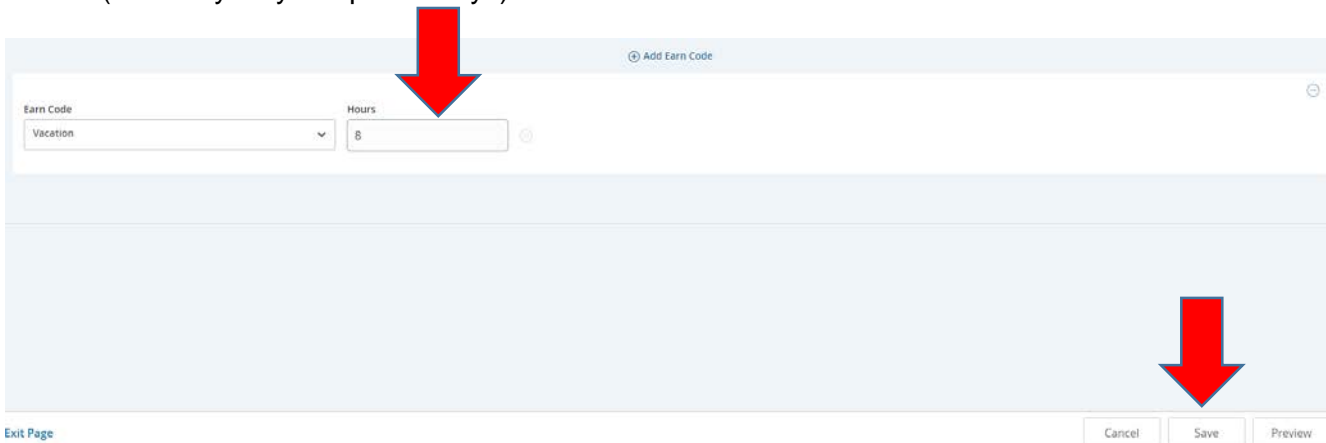

5. Select an Earn Code from the drop down.

6. Add the appropriate number of hours for the request and select save.

*Note: exempt employees should only enter requests in increments of 8 hours (a full day only- no partial days)

*** Steps 4 – 6 should be repeated for each day in that pay cycle that leave is being requested for.

Leave requests should not be submitted until all time for that pay cycle has been submitted. Only one leave report per pay cycle can be submitted.

It is highly recommended that the leave request not be submitted until the end of the pay cycle.

7. Once all time for that pay cycle has been submitted select *Preview*. You should then review all time shown for accuracy.

a. If correct scroll down, check the certification box and select *Submit*.
