

## **JOB DESCRIPTION**

The University of Dallas, Constantin College of Liberal Arts, Department of Physics invites applications for an affiliate assistant professor of physics, with the ability to teach introductory courses for scientists and pre-health students and upper-division courses and laboratories.

Courses such as optics and/or condensed matter physics are particularly desirable and an ability to diversify the department's offerings in other ways is welcome. The teaching load for this position is three lecture courses per semester or a lecture/laboratory course-load equivalent.

Position to start in January 2020 and continue until at least May 2021.

## **PRIMARY RESPONSIBILITIES**

- Teaching required Physics majors courses and labs
- Teaching required physics courses for science majors, including pre-health
- Teaching upper class electives for Physics majors with labs
- Actively participating in the life of the department

## **MINIMUM REQUIREMENT**

- Ph. D. in Physics (or related disciplinary field)
- Experience teaching
- Commitment to teaching

## **PREFERRED QUALIFICATIONS**

- Experience teaching upper level Physics such as optics, condensed matter or other advanced labs
- Evidence of innovative education practices

## **APPLICATION**

Applications for the position should be made online and must include a cover letter indicating your interest in the position, your qualifications, and your research interests; a curriculum vitae; and a statement on teaching. Please also include evaluations of your teaching if you have them. Letters of reference and writing samples are not required at this stage but may be requested later. The review of applications will begin on October 1, 2019.

All applications should be submitted online at:

<https://hr.udallas.edu/apply/>

Inquiries regarding a posting can be made via fax, email or in person at:

## **WHO WE ARE**

The University of Dallas is a Catholic university that seeks to educate the whole person, encouraging its students to pursue wisdom, truth and virtue as the proper and primary ends of education (<http://www.udallas.edu/about/mission.php>). All faculty members are expected to understand and support the mission. The University is home to approximately 1400 undergraduates, and its distinguished Core Curriculum emphasizes a classical curriculum in the Catholic intellectual tradition.

## **BENEFITS**

UD provides competitive pay and benefits, including eligibility to participate in medical, dental, life and disability insurance; employee events; a health and wellness program; a free fitness center; competitive leave programs; free tuition for employees and their families; and matching retirement plan contributions.

**The University of Dallas seeks to recruit, develop, and retain faculty, staff and administration of the highest caliber.**

**The University is an Equal Opportunity Employer, and encourages applications from female and minority candidates and others who will enhance our community and advance our Mission.**
