## Fall 2018 Final Examination Schedule

**TO FIND EXAM TIME:** Look for the day/time of each class you are taking this semester to find your Final Exam. For instance, if you are taking a class that meets MWF at 1PM, the Final Exam will be given on Friday during the 3:00-5:00 PM time period.

**Any exceptions are noted in RED below. Your class schedule in Banner lists the section number (07\_) of the class you are enrolled.**

**Unless otherwise posted, examinations will be held in the classrooms where your classes normally meet.**

There is no official University policy regarding the maximum number of exams a student may have on a given exam day.
